

# ALLIES DON'T LET OUR SOLDIERS DIE

*Israel deliberately allowed 241 American Marines to die*

**A**ccording to this blockbuster new book, Israel could have prevented the bombing that killed 241 Marines in Lebanon in 1983, but it chose not to warn us, hoping that the attack would poison American-Arab relations.

**B**y Way of Deception: The Making and Unmaking of a Mossad Officer was written by Victor Ostrovsky, who grew up in Israel and served with the spy agency for four years starting in 1983.

**T**he Israeli government is desperately trying to block publication of the book, which also says the Israelis are "actively spying, recruiting, organizing and carrying out covert activities mainly in New York and Washington, which they refer to as their playground."

**T**he motto of Israel's spy agency is: "By way of deception thou shalt do war." That motto describes more than the modus operandi of the world's most ruthless and feared organization of professional assassins and espionage agents; it really describes the modus vivendi of an entire race.

**ISRAEL: NOT WORTH ONE AMERICAN LIFE**
