

FED UP WITH LIBERAL PROPAGANDA PASSING FOR LEGITIMATE NATIONAL NEWS?

Employment! Canada currently has 1.4 million unemployed; half a million not looking for work, and youth unemployment at 18%, do we REALLY need more immigrants.

Feminism and Homophilia! The Liberal purpose is to destabilize natural sex-roles and the institution of the family.

Crime & Punishment! Liberals are only concerned about two kinds of crime: "gun crimes" and "hate crimes."

Individual victims of violent crimes [robbery, rape, murder] do not interest them.

Gun Control! If someone isn't going to mind that law, why would we believe they would obey gun-control laws?
