

**FRANKLIN:**

# **NO PLACE FOR HATE?**

***"This is trying to break down barriers."***

— Jay Cohen of the Franklin 'No Place for Hate' commission.  
(A direct quote from the Boston Globe, May 6 2001 edition)

### ***Warning!***

Abraham Foxman of the ADL, and Jay Cohen of the Franklin 'No Place for Hate' commission, have their sights set on Franklin. They want to "Break Down Barriers" in Franklin. Just *what* do they mean by that? *What barriers?*

**T**he nefarious Anti-Defamation League of B'nai B'rith, or ADL, has targeted Franklin. They feel that Franklin has "too many barriers" to Jewish interests. That's code for, "Franklin is too damn White."

**S**o the Jews at the ADL are going to help their fellow Jews in Franklin. Using the 'No Place for Hate' ploy, they plan to "lead the way for all ethnicities." That's code for, "Let's flood 'em with Blacks, Mexicans, and Asians!"

***Just say no to more diversity!***

**Just say no to the Jews.**
