

LET'S STOP BEING HUMAN SHIELDS FOR ISRAEL

"...**S**o we tell the Americans as people, and we tell the mothers of soldiers and American mothers in general that if they value their lives and the lives of their children, to find a nationalistic government that will look after their interests and not the interests of the Jews.

The continuation of tyranny will bring the fight to America, as Ramzi Yousef and others did. This is my message to the American people: to look for a serious government that looks out for their interests and does not attack others, their lands, or their honor.

And my word to American journalists is not to ask why we did that but ask what their government has done that forced us to defend ourselves. It is our duty to lead people to the light."

— Muslim leader **Osama bin Laden**, from a May 1998 interview with ABC reporter John Miller.

Let's cut off aid to Israel now!
